## Community Outreach Services

For more information about other DHS services, please visit our website at <http://dfcs.georgia.gov> or call 1-877-423-4746.

## How Do I Apply for Benefits?

### Step 1. Fill out the application.

Read the questions carefully and give accurate information. Sign and date the application.

### Step 2. Turn in the application to your local office.

You will need to tear off pages 1, 12-13 and keep them for yourself.

**Mail, fax, or bring in pages 2-11 of this application to your local Division of Family & Children Services (DFCS) office. You can locate your local office at <http://dfcs.georgia.gov/locations>.**

If you or the person for whom you are applying is eligible for benefits, Food Stamp benefits will be provided from the date we receive the application with your name, address, and signature on it. TANF benefits will be provided from the date the application is approved.

If you are applying for Food Stamps, TANF and/or Medicaid, you can file an application for benefits with only your name, address and signature. However, it may help us to process your application quicker if you complete the entire form. You may use this form to file a joint application for more than one program or for the Food Stamp Program (FS) only. Your FS application will not be denied solely on the basis that your application for another program has been denied. We will make a separate eligibility determination for your FS application. If you are in an institution and applying for Food Stamps and SSI at the same time, the filing date of your application is the date you are released from the institution.

### Step 3. Talk with us.

You may need to complete an interview with a worker. If so, we will give you an appointment. This interview can be completed by phone.

## What information will I need to provide?

It is a good idea to provide the following:

- Proof of identity for the applicant if applying for Food Stamps and/or TANF. Proof of identity for everyone if applying for Medical Assistance. An identification card (ID) or driver's license (DL) is an acceptable form of verification.
- Proof of US citizenship/qualified immigrant status for everyone requesting benefits. If you are applying for emergency medical services only, you do not have to provide your SSN or information about your immigration status.
- Social Security numbers of everyone requesting assistance.
- Proof of income *for example*, pay stubs, child support payments, and income award letters.
- Proof of expenses like childcare receipts, medical bills, medical transportation costs, rent/mortgage costs, and child support payments.

You will be given time to return any information to our office. If you need help getting this information, please tell us.

## How do we use the applicant's personal information?

You only have to provide Social Security Numbers (SSN) and citizenship or immigration status for persons who want to apply for benefits. This information will be used to check the income and eligibility verification system (IEVS). We will also match your information against other Federal, state and local agencies to verify your income and eligibility, to track wage information and participation in work activities. If a household member does not want to give us information about their SSN, citizenship or immigration status, other household members may still receive benefits. If you are applying for emergency medical services only, you do not have to provide your SSN or information about your immigration status.

## Can someone else apply for me?

For Food Stamps and Medicaid, you may ask someone to apply for you. For TANF, anyone can apply but the parent or caretaker must be interviewed.

## Tell Us about the Applicant and All Household Members

Please fill out the chart below about the **applicant and all household members**. The following federal laws and regulations: **The Food and Nutrition Act of 2008, 7 U.S.C. § 2011-2036, 7 C.F.R. § 273.2, 45 C.F.R. § 205.52, 42 C.F.R. § 435.910, and 42 C.F.R. § 435.920, authorize DFCS to request you and your household members social security number(s)**. Anyone who is living in your household and is not applying for benefits may be treated as a **non-applicant**. Non-applicants do not have to give us information about their social security number, citizenship, or immigration status and **are not eligible** for benefits. Other household members may still be able to receive benefits, if they are otherwise eligible. If you want us to decide whether any household members are eligible for benefits, you will still need to tell us about their citizenship or immigration status and give us their social security number (SSN). You will still need to tell us about **their** income and resources to determine the eligibility and benefit level of the household. We will not report any non-applicant household members to the United States Citizenship and Immigration Services (USCIS) Systematic Alien Verification for Entitlements (SAVE) system if they do not give us their citizenship or immigration status. However, if immigration status information has been submitted on your application, this information may be subject to verification through the SAVE system and may affect the household's eligibility and benefit level. We will match your information with other Federal, state, and local agencies to verify your income and eligibility. This information may also be given to law enforcement officials to use to catch people who are running from the law. If your household has a Food Stamp claim, the information on this application, including SSN, may be given to Federal and State agencies and private claims collection agencies for them to use in collecting the claim. We will not deny benefits to applicant household members because other household members fail to provide their SSN, citizenship, or immigration status.

### **Help for People with Disabilities**

The Georgia Department of Human Services and the Georgia Department of Community Health (“the Departments”) are required by federal law\* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments’ programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance. The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program or activity or in undue financial and administrative burdens.

### **How to Request a Reasonable Modification or Communication Assistance**

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at 404-657-3433 or DCH at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at <https://dhs.georgia.gov/forms-notices>, or you may obtain the DCH ADA Reasonable Modification Request Form at the DCH Katie Becket Team office or online at <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, but you do not have to use a form.

### **How to File a Complaint**

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735.
